Presented abstracts will be published in a special online only supplement issue of the journal **CARDIOLOGY**, published by Karger.

PROJECTION EQUIPMENT AND INSTRUCTIONS FOR SPEAKERS

Each presentation has been allocated 15 minutes. Please allow 3 minutes for discussion and questions within this time allocation.

If using a **Powerpoint** (or any other computer) presentation, please note you need to provide the presentation on a CD, DVD or memory stick (using the USB port in the computer) and load it onto one of the Congress' computers in the Speaker Ready Room, at least 1 hour before the start of your session. You may bring your own computer as back up, but please check it with the technician in the session hall where your lecture will take place during the break prior to your session.

If combining video film with PowerPoint, first check your presentation in the **Speaker Ready room**, and thereafter please check your presentation in the session hall where your lecture will take place, at least 30 minutes before the start of your session, during the coffee or lunch break prior to your session.

Please note that the Congress' computers in the session halls are supplied with Office 2010.
